**FAMILY:** Having a mom is like having a rock on top of you. Having a dad is like having a big bowling on top of your head. But having a brother is worst of all. Especially if he's little. It's like having a the abominable snoman on your foot all the time. But having a loving family is like being in paradise, with everyone loving each other, and everything perfect.

**RAINWORDS:** If water and sun mixed together, it would make a RAINBOW. If boots were plastic and liked puddles, it would make a RAINBOOT. If one tiny drip of water fell off a cliff it would make a RAIN-DROP. If a slippery coat decided to go swimming, it would make a RAINCOAT. If a puff of cotton flew up to the sky, it would make a RAINCLOUD. If I decided to live up on a cloud, it would make a RAINME.

Hol: Most likely to be singing toneless duets with Cami

I need your opinion on something ... Oh\*#@ my Nu@%& page is \*%#\$@%\$\* &%\$#@\*#\$@ ... Don't go breakin' my heart ... Fergie, you can't drive where there is already a car ... Drew and Paul ... Magic 108 ... Who had the key last ... Ferg, if you go with C&H, you won't be carded ... Are you sure we haven't finished the yearbook yet ... Life can't be much better than this ... What's that black stuff on the table ... Casey, did you just wake up ... Is there some significance that we have a broken mirror?
